H G H H H B B d H	According to <i>A Midsummer Night's Dream</i> , there are false sentences. Before his wedding to Hippolyta, Duke of Athens is visited by his old friend Egeus who wants his daughter to marry Demetrius. According to the Athenian law, the girl must obey her father otherwise she must be either put to death or to prison. The daughter is in love with Lysander. Helena and Lysander decide to run away and get married in Lysander's aunt's house where the Athenian law cannot reach them. In the woods, the fairy king Oberon and his queen Titania fight over an Indian boy, who they both want take care of. Oberon casts a spell on Titania and makes her fall in love with a donkey. Also in the woods a group of hunters rehearse their play for the Duke's birthday party. One of them, a carpenter, has got lost. Finally, all the actors appear on the stage and perform excellently.
